

Assessment Activity of AEPC, entrusted by Govt. of India.

AEPC, India's largest Export Promotion Council has been selected as a National Assessing Body by DGET, Govt. of India.

The vision and activities of Assessment Cell :

- This certification will help the exporters to deal with their Quality and Compliance issues.
- It was discussed that the assessment will go a long way for the social upliftment and skills so developed will capture the market globally.
- Assessment Cell may sensitize AEPC registered exporters for the certification process for their experienced and not certified skilled manpower to improve their confidence.
- Sensitizing the need for change in the Industry through Assessment of their skilled workforce.
- Improvement in the Quality and Productivity of the Industry through certified Workforce.

Assessment centre has been operational at Rohini from Sept. 2009 and repositioned at Gurgaon from March 2011.
